Boy Scout Health Form

Information Sheet — Official BSA Annual Health and Medical Record

The Boy Scouts of America (BSA) Annual Health and Medical Record is an official BSA form (copyrighted by the Boy Scouts of America) required for scouting activities and camps. It has multiple parts, and Part C requires a physical examination and signature from your child's physician.

How to complete this with Grove Pediatrics

- Get the current official BSA Annual Health and Medical Record form from your unit leader or download it at scouting.org.
- Complete Parts A and B (health history and consent) at home before your visit.
- Bring the form to your appointment so Dr. Lee can complete and sign Part C (physical examination).
- High-adventure activities (e.g., Philmont, Sea Base, Northern Tier) require the additional Part D — let our staff know when scheduling so we can allow enough time.

Questions? Call our office at 703-246-0022 and we're happy to help you plan the visit.
