Transition & Continuity of Care Acknowledgment

For patients previously seen by Kenneth J. Kim Pediatrics

Grove Pediatrics & Adolescent Medicine, led by Dr. Hojin Lee, is continuing the pediatric practice previously operated by Dr. Kenneth J. Kim at 3930 Pender Dr, Suite 330, Fairfax, VA 22030. Your child's medical records are being transferred to Grove Pediatrics for continued care.

You do not need to resubmit the registration, medical history, consent for treatment, or HIPAA forms already on file with Dr. Kim's practice. This one form confirms that your child's care will continue with Dr. Lee and that Grove Pediatrics' current office policies apply to future visits.

Acknowledgment

I acknowledge and agree that:

- Dr. Hojin Lee, under Grove Pediatrics, will continue to provide the same kind of pediatric care previously provided by Dr. Kenneth J. Kim.
- The registration, medical history, consent for treatment, and HIPAA information my family previously provided to Dr. Kim's practice remain on file and in effect for care provided by Grove Pediatrics.
- My child(ren)'s medical records will be transferred to and maintained by Grove Pediatrics.
- I have read and agree to Grove Pediatrics' current Office Policies listed below (also available on the Policies page at grovekid.com or from our front desk). These policies apply to visits with Grove Pediatrics and replace the office and financial policies my family previously signed with Dr. Kim's practice.
- Grove Pediatrics will notify me before any future changes to these policies take effect.
